Work With an Award-Winning Lifeguard Team

Take charge, be a lifeguard! Learn important life-saving skills and be part of an award winning aquatics team at Westchester County Parks' pools and beaches this summer.

The pandemic brought lifeguard training to a halt and in turn created a shortage of lifeguards all over the country. With restrictions beginning to loosen up the Westchester County Parks Aquatics Division is now able to offer training to new guards who accept a position with us, which includes waterfront training for the option to guard at either a pool or beach. I visited the team's special recruitment table at this weekend's Bicycle Sunday and promised to put in this "plug" and mention especially that **15-year-olds are now eligible** for the first time. If you know qualified persons that age or older, please tell them about this opportunity. Without the appropriate number of lifeguards we can't **open all our beautiful County pools!**
